Please describe the manner of trade.

The application for the Yarri Village Wet Mess Canteen will have a unique **Manner of Trade** as it is a unique venue and its prescribed services do not fit with any other license other than a "Special Facility License". The Facility is a Mining Village (Camp) Wet Mess, remote workers Accommodation. The manner of trade will be defined by conditions imposed on the license by RGL WA to ensure it is only used for its exact purpose if granted. Liquor sales will not be available to the General Public nor will public access be allowed, liquor sales will be exclusive to the village residents (workers, employees, contractors & approved guests) & guests that reside during their working life on site in the accommodation provided at the village. All Wet Mess Canteen staff providing beverage service will be Approved Managers & WA RSA Approved & will perform mandatory ID checks and check employee/guest site passes as a condition of entry for all patrons.
