

# 2025 CCTV Grant Program Application Form

The Department of Local Government, Industry, Regulation and Safety (LGIRS), in collaboration with the WA Police Force, is delivering a strategic expansion of Closed-Circuit Television (CCTV) camera coverage across Western Australia through the 2025 State Government election commitment.

By deploying additional cameras in high-traffic and high-density areas with known hotspots of crime and antisocial behaviour, the technology will provide significant public safety benefits for the community.

Local Government Authorities (LGAs) who had not previously been identified to receive an allocation through the election commitment are eligible to apply for a grant for the following fixed camera types (as per Australian Standards AS/NZS 62676.1.1:2020 or AS 4806.2-2006):

- CCTV cameras of a minimum 4k camera quality standard
- Automatic Number Plate Recognition (ANPR) cameras
- Dual-purpose CCTV/ANPR cameras (maximises functionality and coverage); or to
- Upgrade existing CCTV cameras to incorporate ANPR functionality.
