<i>My thoughts on:</i> Transition pet shops to adoption centres (can only sell dogs sourced from rescues).	Puppies should not be sold at pet shops or pet food shops eg Pet City/City Farmers.
<i>My thoughts on:</i> Introduce mandatory dog de-sexing.	Should not be mandatory. Should be encouraged.
<i>My thoughts on:</i> Introduce a centralised registration system to identify every dog and puppy.	If a central registry is used it must be kept up-to-date.
<i>My thoughts on:</i> Introduce mandatory standards for dog breeding, housing, husbandry, transport and sale.	Min standards should be: Clean. Water. Food. Bedding.
