Good Morning

I am a dogs west member [REDACTED] I have x2 Dogs registered with Dogs West 1)  
[REDACTED]

I have since passed my breeders prefix exam and therefore a registered breeder, however yet to have any litters.

My concern is sterilizing dogs for members of Dogs West that are not registered breeders, we take pride in our chosen breed and our dogs and show these dogs in confirmation shows every weekend which is many of us our lives and our hobby.

To show a dog it needs to be entire, therefore even the thought of entertaining serialisation as mandatory is ridiculous.

Kind Regards

Leanne Taylor
