

PlayOn WA Toolkit

*Transforming
sport and recreation
infrastructure across WA*

What is PlayOn WA?

PlayOn WA is an exciting WA Government initiative to deliver 2,030 community infrastructure items across WA by the year 2030.

How can I be part of PlayOn WA?

If your sporting infrastructure item is in place between now and 2030, you're part of PlayOn WA.

It doesn't matter if the project was a previous election commitment or part of an earlier grant round, if it's delivered after 1 July 2025, it's part of PlayOn WA.

This includes all sport and recreation infrastructure items within:

- major projects
- State Sporting Infrastructure Fund
- election commitments and grants:
 - Community Sporting and Recreation Facilities Fund
 - Club Night Lights Program
 - Community Use of School Sporting Facilities Program.

How can I share the great news about my grant?

The first step is to review the [acknowledgement guidelines](#).

Contact the Department of Creative Industries, Tourism and Sport's Corporate Communications team via commsapprovals@cits.wa.gov.au to ensure the correct steps are taken to promote your PlayOn WA project.

Refer to our [checklist](#).
